Nosetouch Press Delivers a Chilling Harvest with *The Fiends in the Furrows II: More Tales of Folk Horror*

[Chicago] Nosetouch Press is proud to release the sequel to its well-received *The Fiends in the Furrows* folk horror anthology with *The Fiends in the Furrows II: More Tales of Folk Horror*, an international collection of 11 folk horror stories, as well as a foreword by award-winning English author, Andrew Michael Hurley.

“Folk horror continues to evolve as a genre,” said Dave Neal, editor-in-chief and co-publisher of Nosetouch Press. “With movies like *Midsommar* and others, more people are looking for folk horror, which can be an elusive subgenre of horror.”

“Our goal with this sequel is to continue to expand upon the frontiers of folk horror, while also honoring its traditions,” said Christine Scott, co-editor and co-publisher of Nosetouch Press.
