

Dark days bring wrathful shadows.

Fiss'Q, working with her Sylvan friend, Sarithea, as well as Darha Lohai, the mysterious Shadowmancer, tries to liberate the wicked Obsidian Island. There, Fiss'Q confronts the ruthless and brutal Triumvirate, an alliance of three powerful Slavelords of Uriokh—the mighty Efram Redblade, renowned swordsman and former gladiator, Tio Avannari, wily merchant, and the fanatical Marna Rothgild, high priestess of Mistress, the Lady of Chains. The Twilight Isle continues the Southland adventures of Fiss'Q, as she seeks to bring lasting justice and freedom to the corrupt and decadent cities of Old Soria, one by one. Can Fiss'Q hope to defeat this deadly trio of adversaries, while her own manipulative master, the Prince of Shadows, looks on with ever-growing fascination?
